

## **DEPUTY FIRE MARSHAL**

Division: Fire Prevention  
Supervisor: Fire Marshal/Fire Chief  
Supervision Exercised: Supervises personnel as assigned  
Wage Scale: Deputy Fire Marshal (Represented Employee)

General Statement of Duties: Provides fire prevention program delivery, business occupancy inspections, new construction plans review, fire code interpretations, fire investigations and other related tasks.

Distinguishing Features of the Class: This is a non-emergency response classification. This classification would not be responding to emergency situations as a routine responsibility of the work. It is distinguished from other District classifications by the combination of fire and life safety inspections in the field and a variety of administrative responsibilities essential to delivery of District services including assisting the Fire Marshal/Fire Chief as needed with disaster and hazardous materials recovery plans, the development and maintenance of a variety of data bases capable of producing reports for the District and other agencies. This position may as directed, supervise Career and Volunteer personnel assigned to the Prevention Division. This position is the primary individual responsible for the Fire Prevention Division in the absence of the Fire Marshal.

Examples of Essential Functions: An employee in this classification shall perform the essential functions as outlined below. However, these essential functions do not include all of the specific functions that an employee may be required to perform.

1. Investigates fires, explosions, and hazardous materials incidents to determine probable cause, origin and circumstances; provides information and may testify in court to assist law enforcement and judicial personnel in the prosecution of persons charged with violations of fire prevention laws and ordinances including arson.
2. Conducts detailed field inspections and assists businesses with developing pre-incident emergency plans of all types of buildings, occupancies, and special protection systems to determine and enforce compliance with federal, state, and local fire codes and ordinances; notifies owners or other persons in violation of fire safety laws or ordinances and provides time schedule for compliance. Assures that re-inspections are conducted in a timely manner.
3. Maintains the Fire Prevention Division management system for Keizer Fire District, and provides records and prepares reports of activities, inspections made, hazards noted and abated, investigations, complaints, special and unusual hazards noted or abated and other reports/records and submits to Oregon State Fire Marshal as required.
4. Inspects tents/carnivals/festivals for access and health documentation. Issues fireworks permits, inspects fireworks displays and stands for proper compliance.
5. Attends training to maintain certifications and Oregon State Fire Marshal courses to stay current on Oregon Fire Code and safety issues.

6. May supervise other Firefighters assigned fire prevention duties including preparation of performance appraisals, reviewing monthly timecards, participation in examinations and recommending potential corrective action for all subordinate members.
7. As assigned, attends the City of Keizer planning meetings, reviews building plans and permits for access, fire flow and water supplies, attends pre-construction meetings, meets with builders, answers questions about local fire district requirements for development, meets with citizens regarding fire related street standards and other city ordinances or codes.
8. Provides a support role on fire alarms or general alarms and fulfills duties as assigned by Incident Commander. The Deputy Fire Marshal may be assigned investigation duties as needed in the absence of the Fire Marshal.
9. Formulates required reports and performs other duties as assigned by the Fire Chief, or any Chief Officer.
10. Prepares a monthly report and attends the Fire District Board Meeting.
11. Position requires competency in the following areas: fire prevention, record keeping, report writing, safety and work practices, basic office computer and keyboarding ability, public information/education methods, ability to work closely and effectively with the general public, business community, public officials, other paid employees and volunteer members of the District.

Minimum Position Requirements:

- Valid Oregon Driver's License or within 30 days of employment
- National Fire Protection Association (NFPA) Firefighter I
- International Code Council (ICC) Fire Inspector 1, or National Fire Protection Association (NFPA) Fire Inspector 1, or greater equivalency.
- National Fire Protection Association (NFPA) Fire Instructor 1, or within one year of employment
- International Code Council (ICC) Fire Plans Examiner, or within one year of employment
