

Community Engagement Coordinator – Supplemental Questionnaire

1. Describe your experience with event management.

2. Describe your experiences in public speaking, presenting, teaching, and engaging with audiences.

3. Detail any experiences representing an organization on committees and within community groups.

4. Describe your experience developing and managing programs for informational and educational delivery.

5. Please describe your experience in content creation, digital marketing, and expertise across multiple social media platforms. Additionally, provide insight into strategies you would employ to enhance an organization's online presence. What programs do you have experience using?

6. Please describe your work style and what aspects you consider important in a rewarding career opportunity.
